

OFFICE OF  
EQUAL OPPORTUNITY

May 30, 2020

Lobos,

In light of recent events of unacceptable racially targeted threats made against the African American community of UNM, and ongoing national protest of the disgusting death of George Floyd, The Office of Equal Opportunity would like to remind you that we are here for you.

It is the mission of OEO to promote equal access and treatment for all and to promote a safe environment free of discrimination and inequity in accordance with University values and policies with federal and state equal opportunity and affirmative action statues and regulations.

We are here for you if you encounter discrimination and inequality of any form, online or in person. If you would like to seek confidential support, LoboRESPECT is also available for confidential support services.

OEO envisions the University of New Mexico as a community where the value of diversity is recognized and where equal opportunity is afforded for all.

We can be reached by phone (505) 277-5251, online at [oeo.unm.edu](http://oeo.unm.edu), or by email: [oeounm@unm.edu](mailto:oeounm@unm.edu).
